zubairuddin created SMCS-202:

        Summary: create rainfall forecast service - [Get actual data if the date is in the past (i.e., if actual rainfall is available)]
        Key: SMCS-202
        URL: https://vassarlabs.atlassian.net/browse/SMCS-202
    Project: Soil Moisture & Crop Stress
  Issue Type: Task
   Reporter: zubairuddin
   Assignee: shravan

create rainfall forecast service -
1. Check if actual rainfall is available (water_quantity_rf), if yes then give it the higher priority
